

Claims

- 1、 A kind of extract of Leaves of *Cajanus Cajan(L.)* Millsp., characterized by that the extract is prepared by the following method: the medicinal material of Leaves of *Cajanus Cajan(L.)* Millsp. was placed in multifunctional extractor, and soaked in water in the amount of 10 times that of medicinal material for 0.5-2 hours, heated and decocted 1 to 4 times, every time for 1-2 hours, filtrated, the filtrate was taken out into the vacuum concentrator instantly ,concentrated to relative density 1.05-1.15(heat determined at 60°C) at degree of vacuum -0.08 Mpa and temperature 60°C, filtered with 80 mesh filter cloth, the filtrate was filtered by continuous centrifugation, the centrifugate was dried by spray drier, the dried powder was the extract of Leaves of *Cajanus Cajan(L.)* Millsp.
- 2、 The extract of Leaves of *Cajanus Cajan(L.)* Millsp. according to claim 1, characterized in that Leaves of *Cajanus Cajan(L.)* Millsp. was soaked in water for 1 hour, heated and decocted 3 times, every time for 1.5 hours, centrifuged at 15000r.p.m and flow rate was 50L/hour, the temperature at the air inlet of the spray drier was 180°C, the dried time was 4 seconds , the temperature at air outlet was 80°C.
- 3、 A pharmaceutical preparation, characterized in that Leaves of *Cajanus Cajan(L.)* Millsp. or the extract thereof was pharmaceutical active component.
- 4、 The use of leaves of *Cajanus Cajan(L.)* Millsp or extract thereof for the manufacture of a medicament for the treatment of osteoporosis
- 5、 The use of Leaves of *Cajanus Cajan(L.)* Millsp. or the extract thereof for the manufacture of a medicament for the treatment of ischemic necrosis of caput femoris.
- 6、 The use of Leaves of *Cajanus Cajan(L.)* Millsp. or the extract thereof for the manufacture of a medicament for the amelioration of hemorheological index.
- 7、 The use of Leaves of *Cajanus Cajan(L.)* Millsp. or the extract thereof for the manufacture of anti-inflammatory and analgesic agent.
- 8、 The use of Leaves of *Cajanus Cajan(L.)* Millsp. or the extract thereof for the manufacture of a medicament for the reinforcement of immunological function.
- 9、 The use of Leaves of *Cajanus Cajan(L.)* Millsp. or the extract thereof for the manufacture of a medicament for the treatment of angina of coronary heart disease.
- 10、 The use of Leaves of *Cajanus Cajan(L.)* Millsp. or the extract thereof for the manufacture of a medicament for the treatment of fracture.
- 11、 The use of Leaves of *Cajanus Cajan(L.)* Millsp. or the extract thereof for the manufacture of a medicament for the treatment of cerebral infarction.
- 12、 The use of Leaves of *Cajanus Cajan(L.)* Millsp. or the extract thereof for the manufacture of a medicament for the treatment of bedsore.
- 13、 The use of Leaves of *Cajanus Cajan(L.)* Millsp. or the extract thereof for the manufacture of a medicament for the treatment of infected surface of wound.
- 14、 The use of Leaves of *Cajanus Cajan(L.)* Millsp. or the extract thereof for the manufacture of a medicament for the treatment of the infected surface of wound of open fracture.
